Acknowledge the following: The questionnaire and the date of your non refundable deposit is what would put you in line for a puppy. You will always have the opportunity to move up, given the other families situations or if more puppies are available, or wait and rollover for another litter. For the next litter, if enough puppies were available, you will move higher on the list as others have made their choice and will be removed (as noted on the website). If there were enough puppies to choose from in a given litter, yet you wish to rollover to the next litter available, you must choose a puppy from 1 of the next 2 litters or forfeit your deposit. Yes No

Acknowledge that you have read, understand and agree to the contract terms provided at this website: Yes No

If you choose to be added to the list, submit a deposit of \$500 and mail a check and this questionnaire to:
J. Best

Burien, WA 98166

Your check will be your receipt. The contract will be signed upon picking-up the puppy.
Note: If a scheduled pregnancy does not take, the top 5 on the list will have the option of a refund otherwise, they will wait until the next litter and this will not count against them. And, if something should happen to me (eek I hope not and don't plan on it), I've made arrangements for all deposits to be refunded.
